

LEGEND:  BICYCLE DETECTOR SYMBOL

NOTES

1. The bicycle detector pavement marking (symbol) shall be used at all actuated traffic signal approaches that are capable of detecting bicycles.
2. A symbol shall be installed in the right-most lane serving the bicyclist's destination, including left turn lanes, through lanes, and bike lanes.
3. The leading edge of the symbol shall be installed one foot behind the limit line (or crosswalk).
4. Center the symbol in lane (aligned with lane assignment arrow).
