

Proposed Revision to the Definition of “Community Gardens”:

17.10.140 Essential service civic activities.

Essential Service Civic Activities include the maintenance and operation of the following installations:

- B. Community gardens. For the purpose of this classification, Community Gardens are defined as land that is used for the cultivation of fruits, vegetables, plants, flowers, herbs, ornamental plants, and/or animal products and livestock production by one or more persons for personal consumption and/or donation. This classification does not include the use of heavy mechanized farming equipment, or commercial sales on or off the premises, except for limited seasonal sales. Any keeping, grazing, or feeding of animals must conform to all applicable regulations, including but not limited to Municipal Code Chapters 6.04, 8.14, and 8.18;

Community Gardens (Essential Service Civic) – Proposed Allowed Activity in Each Zone
